Personal motivation (scanned essay sheets)

Доброе люди, то, на нас' взиде,  
цедрыне люди, готовы помертвовати  
милых. Смихоси марнои' человек сразу  
оттанивает, такие люди обажно материальны  
обеспечены.

А все знаи или замечали, что у добрых  
людей всегда много друзей или знакомых.  
А это и есть самое главное, вот в чем  
состоит счастье и богатство.

Счастливи' человек - это человек, который  
любит и любим.

Берите в себе человечность, не будьте  
серствыми и озлобленными, мои родители  
помогать другим, помогают животным,  
чтобы не давали эту фать вверх над нами.

Милосердие, щедрость, доброта - вот те  
качества, без которых человек не может  
существовать!
