Какие черты характера а ценно в людях?  
Это не простой вопрос. Иногда в одном  
слове могут скрываться смыслы и  
различия, доброта, заботливость и  
корреляция, но человек может быть не тем.

Человек, который окружает нас, может  
быть добрым и честным человеком, может  
сказать: «доброта спасет мир».

Как правило, добрый человек всегда имеет  
заботливый и внимательный. Поэтому скажи,  
где добро всегда побеждает зло? Тогда так  
всегда и будет! Доброта спасет мир!
