My most vivid memory from childhood

**how my grandmother used to buy me apricots**

Personal motivation (scanned essay sheets)

Главное качество которое я ценю в людях - это честность, доброты и ответственность. Говорю уже много раз, что больше всего ценю в людях честность, умение вести себя правильно в обществе.

Если бы у меня была возможность перескочить или поехать где-нибудь, то я бы с радостью поехала во Францию, где очень красивые места и их культура.
