Personal motivation (scanned essay sheets)

Какие черты характера я больше всего ценю в людях?!

Больше всего ценю в людях честность и принципиальность. На таких людей можно положиться. Такие люди открыто, без стеснения, высказываются по поводу или иному поводу. Не будут фальшиво улыбаться в глаза тому кто не нравиться. С уважением относятся к таким людям ибо такая же. Ещё немало важна любовь людей к животным. Если человек любит и уважает братьев наших меньших, значит он хороший и добрый человек.
