The event or moment I feel most proud of

Favorite film

I love Disney cartoons

Favorite TV series

American Horror Story

The event or moment I regret about the most

Making a rash decision, putting a lot of trust in your friends and betraying them

Why I decided to become a donor?

With my character and requirements, it's hard to find a person to your liking in our time. I decided to focus on my career. In that case, I doubt that any part of me will ever walk on this earth. Donation will help in such a moment and not only for me, but also for other people. It warms your soul when you help other people.

My most vivid memory from childhood

Sharing time with your family

Personal motivation (scanned essay sheets)
