Personal motivation (scanned essay sheets)

На мой взгляд, наиболее важные качества в кандидате – доброта, искренность и умение сопереживать. Кроме того, чувство юмора тоже немаловажно, именно оно часто помогает преодолеть трудности. Мирский крестовор также является важным аспектом, человек эрудированный всегда будет душой компании. При этом не стоит забывать и об умении взаимодействовать с другими, ведь иногда приходится договариваться и идти на уступки, работать над общим делом. Все эти качества делают человека интересным и приятным, но самое главное – быть собой, а точнее, лучшей версией себя.
