There are a lot of them, but one of them is when I won the Grand Prix in the Little Beauty contest at school
in the first grade
Personal motivation (scanned essay sheets)

С ранних лет а не бяла спадкоенкой: спадкое ела, конечно, но если встанет вобор менду мясным и смедким, я непрешенно вобирала мясное. И ноя мама всегда знала это, потому часто меня бамовала именно горичения быходами. Больше вого мне неравилось, когда в процессе приготовнения она заранее мне давала попробовать мяменькие кусочки мяска, ими

И вот так однажда сидиа я, занималась чем-то свении, а мама подошна во мне угостить выденей ким. Увидия й пемьменку и подуша на нее, ттоба ким. Увидия и пемьменку и подуша на нее, ттоба та не оботна мени, что мамочку очене расименно, затем, когда я скусцама эту пемьменку, етамо и мне сишино. Оказавается, мама угостина меня конфеней, ведь бами новогодиие праздники, и конфет бама в даме дожена. Я та конфетья бама из беной щого гадной игазури с начиней из темного шокагада, так что по внешения виду это бама настоящая пемьменка.
Вот такую забавную игру со мной сограмо мисе пристраетие к мясному.
