The event or moment I regret about the most

Why I decided to become a donor?

I want to help those who can't have children, but want to. I don't want children myself, but if there is an opportunity to help someone else - I'm always in favor!

My most vivid memory from childhood

As my mother and I walk around the cemetery, we talk a lot from the heart at this moment, it's quiet, calm and everything is flooded with the sun.

Personal motivation (scanned essay sheets)

Я провела лето в деревне под Псковом, где у меня есть частный дом с садом. Деревня нравится мне гораздо больше, чем город, с его шумом и суетою. Недалеко от дома находится лес и два озера, куда я ходила купаться почти каждый день ближе к вечеру.

Я ездила на фестиваль анимации "Бессонница" в Калининской области. Давно мечтаю там побывать и прошлым летом эта мечта исполнилась. На фестивале было много необычных мультфильмов, электронной музыки, душевных людей и тепла. Но с порывчатой ночью напротив грядки по бессонному пению, зашумев турманом, огнями и людьми, симметричным мультфильмом.

А ещё я довольно рада тому, что отдохнула за лето от утомительного года, много читала и смотрела то, что по времени не успевала во время учебы.
