Черты характера формируют манеру поведения личности: не только лучший человек, но даже самый неподходящий способен разнеть их в положительных поступках. Среди черт характера, которые я обожаю, а бы выделила следующие:

- Честность и порядочность: Благодаря этим качествам человек не просто говорит правду, он не скрывает своих принципов и мнений, готов их отстаивать.
- Внимательность: очень важное качество, как в личной, так и в общественной жизни. Выполнение возложенных обязанностей гарантирует преданное поведение и помогает планирование и решение любых вопросов.
