Why I decided to become a donor?

Good deed

My most vivid memory from childhood

In winter, a friend and I argued in kindergarten that if you lick a post, your tongue won't stick. So she licked and did not stick, then it was my turn and at this point the teachers began to gather everyone for lunch. I didn't hesitate to take it and lick it . Well, that's all stuck. Everyone was so scared for 3 minutes I couldn't tear myself away from the pole.
