Personal motivation (scanned essay sheets)

Это лето я провела в курьезной обстановке.  
це были.

Кем-то мне не понравилось то, что обычно его часть расписано  
работы, или уравнилось найти время по порядку в  
качестве, вдали с друзьями в парк или с новыми  
приятельницами же частой перемены.

Отпустили стало, что мне тактично проводить время  
в кем-то с самой собой. С уверенностью могу сказать,  
что день был чудесным, поводом со своим любимым  
мимикс было бы интересно видеть не влюбленные состояние.

Лето-то это маленькое чудо, потому что нужно сказать  
также по максимуму его запомнить!
