Personal motivation (scanned essay sheets)

Быть мамой - значит дать
жизнь новому человеку,
маленькому, беспомощному
и крохотному малышу.
Хранить и оберегать эту
жизнь от угроз внешнего
мира до тех пор, пока
маленький человек не
станет самостоятельным и сильным.
Быть мамой - значит
научить ребенка жить в
этом мире, избегать его
опасностей и угроз, стать
полноценным членом
общества.
