Information about family and relatives

Information on personality traits

Goals in life

Buy a country house and move to the sea

Describe your personality

Creative, creative, responsible, efficient, empathetic

Mindset

Interested in

Sports, music, and psychology

Hobbies

Choir, guitar, dancing, swimming, music

Dietary preferences

I follow the 80/20 diet plan, where 80% is a balanced meal (protein, fat, carbohydrates), and 20% is fast carbohydrates

Strengths

I bring things to perfection. I have quite good stamina. I am sensitive to the world around me and the people around me. I easily find a common language with other people.

Weaknesses

Sometimes I get discouraged. I can drop the case I was burning for in a short period of time

Favorite color

Favorite car brand

Audi

Favorite music genre

Classic

The most hilarious moment in life

Meeting friends, going to university

The event or moment I feel most proud of

Favorite film

Ove's Second Life

Favorite TV series

Shameless

The event or moment I regret about the most

I suffered humiliation from my superiors in a low-paying job instead of quitting right away

Why I decided to become a donor?

I don't plan to have any children of my own. And since I consider myself fully physically healthy, I decided to help couples in need of offspring.

My most vivid memory from childhood

Trips to the Ethnographic Museum with your parents, as well as a stay behind the scenes of the Mikhailovsky Theater
