Buying a dog

Personal motivation (scanned essay sheets)

Здравствуйте! Я с простотой и максимальной ответственностью решила стать донором яйцеклеток, так как считаю, что каждая женщина имеет право на такое счастье как ребенок. Надеюсь, что вы готовы любить и оберегать этого ребенка ведь это большая ответственность.

Хочу вам счастья и добра. Вы вступите на прекрасный путь родительства, который пусть и тяжёлый, но надеюсь будет наполнен радостью и теплом.

Жахи вам в жизни будьте счастливы родителем. Надеюсь, что все усилия и ожидания окупятся!
