Information on personality traits

Goals in life

Live every day so that you don't regret it in old age

Describe your personality

I am an introvert who loves being part of society and surrounding myself with people who have similar interests. I have been very inquisitive since childhood and am good with foreign languages. I try to take care of myself, my family and the environment.

Mindset

Humanitarian

Foreign languages, handicrafts, reading, sports, kpop, ancient civilizations

Children's science magazines, puzzles and brain teasers, clay modeling, wood burning, playing musical instruments

Chicken, beef, rarely lamb Vegetables Fruits (not often, I don't like them) Cereals Fermented milk products (slight intolerance to plain milk, so I don't drink it)

Purposefulness, tolerance for people, compassion and high emotional intelligence, a penchant for learning foreign languages, quick learning ability

Irritability, categoricalness

Pink

What are we doing in the shadows?

The event or moment I regret about the most

Breaking up with my best friend

Why I decided to become a donor?

Because I don't mind giving my cells to families who want to have a child, since I'm healthy and fit the program.

My most vivid memory from childhood

First time at sea, I'm 10 years old, big waves, dad nearby helps me not to fall
