Why I decided to become a donor?

There are many sorrows and losses in life, you need to live and help not only your family and friends, but also everyone who needs it. After all, it may be that we will need help.

My most vivid memory from childhood

You can't count them all!!!!

Personal motivation (scanned essay sheets)

Вы спрашиваете какие черты характера я люблю, как и ненавижу. Это прежде всего честность и преданность. Соискатель, не краснея общается с кем угодно в жизни, доверяет ему, а в ответ love и неопределенно а его мозг и уст.

Мы рождены для того, чтобы любить и доверять.

Ну почему же ответственность это тоже любовь. Своего сына люблю с абсолютной чужим сердцем, так вот у меня в жизни есть и печаль, а то все не считайте счастья у человека: "лучше ли человеку?"

Так давайте не ругаться, а любиться!

Любите вас - любите и вас.

Все просто взаимно до понимания.
