Why I decided to become a donor?

First of all, this is a great opportunity to help a future family become parents and possibly fulfill a dream, but personally, I just had an emotionally difficult period in my life, I understand that it is all because of my attitude, I decided to change, to help people, because the boomerang exists, and if you are kind to the world, then the world is kind to you)

My most vivid memory from childhood

14 year old birthday party at the water park
