Why I decided to become a donor?

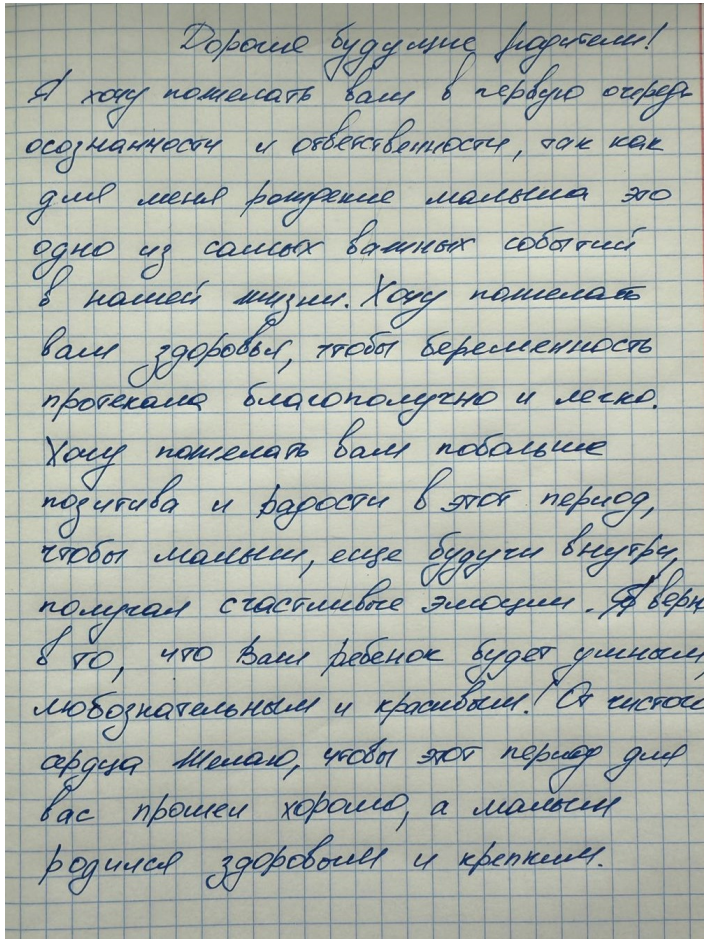

**The main reason that prompted me to become a donor was the desire to help people. From my own experience, I can say that I have often had to communicate with wonderful and loving couples, but unfortunately, they do not have the opportunity to have a child. And I decided for myself that I want and can help them become even happier and experience such happiness as fatherhood and motherhood. I will be pleased with all my heart to realize that I can be a small part of someone's big, loving, strong and**
