---

Personal motivation (scanned essay sheets)

Я хочу стать доктором, потому что я хочу, чтобы у всех была возможность стать полноценной семьей. На мой взгляд родители это те люди, которые воспитывают малыша. Я хочу помочь этим людям - дать шанс стать счастливее, ведь ребенок это счастье. Я меня еще хочу и пока каждый день делает меня счастливой. Я горжусь вами с маленькими достижениями и успехами. Это та любовь и гордость, которую можно испытать только родители.
