Personal motivation (scanned essay sheets)

В моем представлении быть мамой это, в первую очередь, умение любить и поддерживать своего ребенка, дарить тепло и окружать заботой. Мамой - это первый учитель и друг на всю жизнь, которому можно доверить самое сокровенное. Это постоянная ответственность, радость в маме и поддержка на каждой шагу. Быть мамой - это мечта. Непередаваемое чувство, которое должен испытать каждый.
