The most hilarious moment in life

One day I cooked porridge, which I poured into a container. This container was very similar to the container in which my cat's food is stored, which is why the fluffy one made a real scandal, thinking that his food was being encroached upon

The event or moment I feel most proud of

I am proud that I graduated from school with a gold medal. As a result, I entered a medical school, I am studying on a budget and am doing well in it.

Favorite film

Memento

Favorite TV series

Sherlock

The event or moment I regret about the most

I regret that I spent little time on sports as a child and began to compensate for it only at a conscious age

Why I decided to become a donor?

I decided to become an egg donor for several reasons that affect me deeply as a person. I have always believed in the importance of helping others. Knowing that many couples face difficulties when trying to have a child, I felt that I could contribute to their happiness. Being able to help someone become a parent is incredibly meaningful.

My most vivid memory from childhood

My grandfather and I really loved to play volleyball at the dacha, we gathered a whole team of relatives and organized tournaments
